

NEW LOCATION

950 S. Tamiami Trail Suite #102, Sarasota, FL 34236

Directions to the new office:

From the South: Head NORTH on Tamiami Trail. The new location is about 8 miles north of our current location. It is a white medical building on the left hand side of the road. Due to the traffic volume on Tamiami Trail, it may be easier to go PAST the building & turn around at the Central Park Condominium community. At the light in front of the community at Bay Street, turn left into the complex & turn around. Turn right out of the complex so that you are heading SOUTH on Tamiami Trail. The building will be on the right hand side of the road with easy turn access into our parking lot.
